

14/12/2011

Dear Customers ,

We would like to inform you that **Turkish Advanced Manifest (TAM)** rules for Turkish imports will be effective as from 1st January 2012

This rule will be applied for all shipments from any country to/via Turkey

To comply with this rule , shippers are required to submit complete and accurate shipping instructions to the carrier at least 48 hours prior vessel cut off date (or as stipulated by your local Turkon Line offices). Shipping instructions must include below details ;

Cargoes To Turkey

- Full description of commodity/ commodities
- First 6 digit of Harmonized code/ codes of subject commodities
- TAX ID number of the Consignee & Notify party/parties
- Custom Approval Number will be provided with above details in case of it is decelerated by NVOCC to Turkish Custom Offices

Cargoes via Turkey (Transshipment via Turkey)

Only provide below details :

- Full description of commodity/ commodities
- First 6 digit of Harmonized code/ codes of subject commodities

NVOCCs can declare their cargoes to Turkish custom by Turkey side / partner. This info must be indicated on the shipping instruction clearly with above subject details which are listed under "**Cargoes to Turkey**". It must be finished and provided to Turkon Loading agency before 48 hours prior vessel cut off date (or as stipulated by your local Turkon Line local offices)

There will be no grace period. So all requirements must be provided to loading agencies asap.

Charge of this filing will be as below for cargoes destined to Turkey;

USD 25//B/L
EUR 20//B/L
GBP 16//B/L

In case of non-compliance, the consequences include disruption and delays of cargo flows and supply chains, monetary fines and possible other penalties imposed on carriers and other parties responsible for the submission of cargo declarations.

Notes :

- In case of To Order B/L , pls advise Tax ID number of Notify Party/Parties
- All Cargo descriptions must be indicated clearly item by item(see attachment 1)
- All Cargo Harmonized Codes must be indicated item by item
